Tesco Bags of Help – Please support us!

We are very excited to confirm that Manorcroft Nursery have been successful in receiving a place in the Tesco 'Bags of Help' scheme.

From 01 January 2018 until end February three charities (one of which will be Manorcroft Nursery) will be going head to head to receive a grant of up to £4,000.

We need as much parent support as possible to win this grant. Whenever you purchase anything in Tesco, Egham could you please request blue tokens. **The staff do not actively give them out so it is really important to request them.** You do not need to purchase a carrier bag, you just need to buy anything and they will give them to you. We can all start doing this from now on, we can save the tokens up, and in January we can go in in full force and deposit them in our box 😊!

Please help us make the most of this brilliant opportunity!

Below is a summary of our application and what we plan to do should we win the £4,000 grant:
To update our current antiquated kitchen, with open plan space to prepare healthy snacks as well as providing healthy food sessions and support for the children learning to bake.

↑ Ready for the carols?

↑ Christmas display created by our children

Overheard at the nursery:

Whilst sitting at the snack table, a child who had recently had a cold was overheard saying "I've got a cold back". Another child heard this, turned around and said "I've got a warm back not a cold one"!

Happy Christmas!

This term the children have been learning songs and Christmas carols for the concert. Myself, Jackie and the team are so impressed and proud of all of them - they were absolutely brilliant! It was a big ask to learn so many songs and actions.

We would like to take this opportunity to thank all of our parents for practising the songs at home with their children and for taking the time to attend our concerts.

Our children have also been very busy in 'Santa's Grotto' making some wonderful Christmas crafts for you involving lots of glue and glitter, and have worked hard on our wonderful 'Winter Display' in the Book Corner.

Next term our Theme will be 'People who help us' and we will be covering the Fire Service, Doctors & Nurses, Vets, Police and the Dentist, dedicating one week to each topic.

The Nursery Team wish the children and their families a very healthy and happy Christmas and best wishes for the New Year.

See you in 2018!

Love Sharon, Jackie, Margie, Margaret, Brenda, Christine, Nicky, Julie & Fiona xx

↓ Christmas creations!

Dear Parents

Thank you for carrying out your roles over the last period and choosing new ones to carry us through to the Easter break. We really rely on everyone playing their part.

Wishing you all a very Merry Christmas and Happy New Year!
